File No. 46 of 193 £. | General and Revenue Secretariat

The Director's recommendations regarding the industrial school at Belgaumpalle is not very clear. Apparently he wants the school to continue permanently but with a reduced staff. He may be asked to submit definite proposals in this behalf at a very early date.

The Dir has promised a report regarding the school at Gudibanda ~~this~~ in January next.

Sanction may perhaps be accorded to the continuance of these schools till the end of the current year and the Dir of Ind requested to expedite his proposals.

Enclosures.....

.....

SIR,

Subject:- Industrial Schools - Nelamangala & Gudibanda - Continuance of -

In inviting your kind reference to correspondence ending with my note dated 11-2-1937 on the file unofficially referred to me for opinion regarding the continuance of the above schools, I have the honor to state that the schools have for some time past showing signs of development and proving of real use to the local community. The residents of both the places are very keen on their continuance and expansion. The last order of Government sanctioning their continuance expired by the end of the year 1935-36.

Regarding the school at Nelamangala, I beg to inform you that a local resident has recently donated Rs.210/- for the extension of the school building in order to provide accommodation to the students of the IVth year class. As the entire expenditure on this school was incurred by the residents of the place and the local Municipality, in the belief that the school would be placed on a permanent basis, I am of the opinion that the school should be continued with the minimum of staff.

p.t.o.

2

6541/36

1908 & 2510/37 dk 29-36

71 fm 19/11/37

As regards the school at Gudibanda, the question of closing it down and transferring the staff and equipment to Kolar where a wool weaving school is proposed to be started, is engaging my active consideration. The people, of the place are however very earnest that the school should be continued and its usefulness increased by adding a metal section. I have already reported in my letter No.D.1-266/36-37 dated 26-5-1937 that I shall submit my definite recommendations regarding the future of this school in January 1938. Even if it is finally decided that the school should be abolished, it will take some time to complete the formalities and close the affair.

The Comptroller, meanwhile, has held under objection the payments on account of establishment and other charges of these schools pending sanction of Government to their continuance. I therefore request you to kindly obtain the early orders of Government sanctioning the continuance of these schools during the current year 1937-38.

I have the honor to be,

S i r,

Your most obedient servant,

Director.

DEVELOPMENT SECRETARY.

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Develppment Department,
Bangalore.

Sir,

Adverting to your letter No.D.6523/I. & C.246-35-11 dated 1st April 1937 stating that the question of continuance of the Industrial Schools at Nelamangala and Gudibanda was under consideration and directing that, pending final orders of Government in the matter, the bills of the schools may be passed, I have the honour to state that the bills were admitted in audit provisionally, keeping the amounts under objection pending orders of Government. The Director of Industries and Commerce, Bangalore, was however requested to intimate whether sanction of Government for the continuance of the schools during 1936-37 was obtained and in reply thereto, he forwarded a copy of his letter No.D1-323/29-30 dated 16th November 1937 addressed to you, in which he has sought sanction of Government for the continuance of the schools during 1937-38 also. In view of the circumstances, mentioned in the Director's letter, and since provision has been made in the sanctioned Budget Estimates for 1937-38 under "28. Industries and Commerce, 7. Industrial Schools" (Vide page 178), the expenditure is being provisionally admitted in audit, and I request early communication of orders of Government on the proposal of the Director.

I have the honour to be,
Sir,
Your most obedient servant.

A. N. Raghavachar
Comptroller.

SIR,

INDUSTRIAL SCHOOL AT NELAMANGALA - CONTINUANCE.

In inviting a kind reference to my letter No.D.323/29-30 dated 16th November 1937 requesting sanction for the continuance of the above school during 1937-38, I have the honor to state that the activities of the school have vastly improved and the public have taken a large interest in the development of the school. The school has on its roll 32 students including Weaving and Lacquer work.

I have examined the working of this school and find that the school has been serving a real need, that the local people are taking full advantage of it and that there considerable scope for expanding the activities of the school by introducing more subjects of real use to the public. I will submit proposals in this respect along with my report on the re-organisation of the Industrial Schools.

In the circumstances stated above, I strongly recommend that the Industrial School at Nelamangala may be placed on a permanent basis.

I have the honor to be,
